EDUCATION

B.S.
National University of Civil
Engineering (GPA 7.5/10).
 2011 – 2016

SKILLS

• Programming languages:

 TypeScript

 Javascript

 C#

 VB.net

 SQL

 HTML

 CSS/SCSS

• Technical skills:

 Reactjs

 NextJS

 Redux

 Nodejs

 Expressjs

 Bootstrap

 Chakra UI

 Tailwind

 AWS

 MongoDB

 MySQL

• Other skills:

 Git

 Figma

 Photoshop

 MS Office

ABOUT ME

- Full-stack development excites me a lot, but I prefer Frontend to Backend a little.
- The most outstanding advantages: self-study ability, having high adaptability and working under intense pressure.
- My portfolio website is here: <https://khoatran25.vercel.app/>

WORK EXPERIENCE

Technixo Software, Blockchain (DeFi), Hanoi

Aug 2022 – Now

FE team leader, Front-end Web Developer

Team size: 18 (1 TO, 1 PO, 5 BE, 6 FE, 2 Mobile, 3 Tester)

- Working in Agile Process, Squads, Chapters operating model.
- Programming websites by NextJS, Reactjs, Javascript, Typescript, Redux, Web3.js, Wagmi, Socket, Chakra UI, Tailwind CSS, ...
- Build mobile-compatible web apps (use mobile SDK) and web interact with mobile apps
- Taking part in Front-end Optimization (lazy load, preload, wasted renders, ...) and reviewing code for FE team members.
- Be in charge of coding campaign DApps that include 5 sub-pages including games, trading, do the missions, ... (<http://bit.ly/3pJOK0u>)
- Directly build the DEX Trading app (Web3) for the company's chain and tokens. (<https://bit.ly/3rf5VaX>)
- Lead FE team for derivatives trading app - DPTP project. (<https://bit.ly/3D1f7Ch>)
- Coding and reviewing code for PEPE (meme) coin airdrop campaigns. (<https://bit.ly/3pCGXlf> and <https://bit.ly/memeos01>)
- Be trained BE (Golang) to support BE in mini tasks.

T&T Design, Synkey (Japan), Hanoi

Mar 2019 – Aug 2022

Full-stack Web Developer (70% FE, 30% BE)

Aug 2019 – Aug 2022

Team size: 6 (1 BA, 1 FE, 1 BE, 2 Full-stack, 1 Tester)

- Programming websites as a frontend or a full-stack web Developer by Reactjs, Redux, Javascript, Nodejs, Expressjs, MySQL, MongoDB, AWS, GCP...
- Building RESTful APIs, responsive Single-Page-Apps (SPA) and Real-time Application RTAs (based on WebSockets) for internal projects of the corporation. A reference link: <https://www.iryounhc.jp/>
- Building reusable components by Reactjs, Redux for the team.
- Taking part in Frontend Optimization (lazy load, preload, wasted renders, ...)
- Programming UI/UX Frontend (from Figma) of some main routes and modules.
- Building features such as login, authorization, multi-language, and search engine.
- Researching AWS and giving out workflows to store the company's database on AWS.
- See more details of projects on my GitHub repo or my portfolio website.

Sub-leader, .Net Developer

Mar 2019 – Aug 2019

Team size: 4 .Net Developer

- Taking part in projects about BIM (Building Information Management) software in the Construction industry by C#, .NET framework, VB. Net, MySQL, ...
- Checking, tracking, and covering that workflows always go the right way, then reporting to Leader weekly.
- Be in charge of discussing with teams and building calculation algorithms of software.
- Working with the Leader to decide workflows of add-ins and software.
- Programming UI/UX of calculation modules and tools to manage the database.

● **Soft skills:**

Adaptability
Eager to learn
Self-study
Problem-solving
Visual thinking
Leadership
Time management
Enthusiasm
Creativity
Patience

NDC Consulting, Hanoi

June 2016 – Feb 2019

.Net Developer

Team size: 5 .Net Developer

- Programming Windows forms of software to calculate cost estimation in the construction domain by C#, VB. Net.
- CRUD data from database (SQL Server, MS Access).
- Fix bugs and maintain throughout 2 real .Net projects.
- Programming VBScript add-ins to interact with database operations (SQL server, MS Excel, MS Access, windows folders).
- Write tools/mini-software by .Net to calculate and optimize tasks and management processes in the construction domain.

LANGUAGES

- English (upper-intermediate).
- Japanese (pre-intermediate).
- Vietnamese (native proficiency).
